LEADER L.L.C INTERIOR FITOUT FURNISHING A MEMBER OF JUMA AL MAJID GROUP OF COMPANIES

One of the most renowned and respected business houses of the United Arab Emirates, Juma Al Majid Group of Companies was established in Dubai in 1950. From its small beginnings as a family business, more than half a century later, the Group is now firmly established as one of Middle East's most successful conglomerates, its diverse range of business interests spread across the Arab world.

From manufacturing to real estate development and management, from civil and electro-mechanical contracting and air conditioning plants to home appliances and general consumer products, Juma Al Majid's portfolio of products and services meets a broad spectrum of customer requirements. In the areas of shipping, automobiles, metal work, joinery and FF&E among many others, Juma Al Majid Group enjoys a reputation for quality, timely delivery and exceptional value for money.

Juma Al Majid Group has emerged as one of the most dynamic business forces in the UAE, with numerous pioneering projects successfully completed for a wide portfolio of Clients. The Group has become synonymous with reliable solutions and maximum Client satisfaction. Under the visionary leadership of its founder, Mr. Juma Al Majid, it continues in its quest for the highest industry standards, ensuring that both treasured Clients and new customers can benefit from its quality products and distinctive services.

With the continued leadership of H.E. Juma Al Majid, an innovative, dynamic management team, highly qualified, dedicated staff and the most up-to-date infrastructure, Juma Al Majid Group is well placed to meet the challenges of another half century at the top - and totally equipped to help its valued Clients meet the challenges they face in one of the most exciting growth regions of the world.

MEMBER OF JUMA AL MAJID GROUP

LEADER L.L.C. INTERIOR FITOUT FURNISHING

Leader L.L.C. is one of the most modern and sophisticated ISO 9001-2008 accredited Interior, Fitout, Joinery and FF&E company in the region. The Company is a member of the well known Juma Al Majid Group and has built upon the Group's reputation for reliability and efficient service.

In 1994, Leader L.L.C. was formed with the sole purpose of establishing a world class interior, fitout, Joinery and FF&E company in the region catering to the various needs of the discerning and quality conscious clientele. Since 1994, the company has grown many folds under the talented management of the Juma Al Majid Group and ever since, it has served the people of Middle East to their fullest satisfaction. Its numerous and varied successfully completed projects are ample proof of the company's performance in the areas of interiors, fitout, FF&E and joinery works.

Leader L.L.C has one of the biggest plants for joinery, carpentry, upholstery and furniture manufacturing facilities in the region, located in the Ras-Al-Khor area of Dubai and occupies an area of 45,000 square meters. This huge purpose-built plant attests to a commitment to quality craftsmanship and professionalism by the Group.

The plant is equipped with a comprehensive range of latest state-of-the-art machinery, which makes the Company one of the most efficient, advanced and sophisticated companies of this type in the gulf region. Manning this facility is more than 1500 strong multi-national workforce which includes around 90 executive staff, consisting of managers and engineers, who have been carefully selected for their expertise and skills. This amalgamation of the best infrastructure with the finest skills and talent ensures that at all times, the Company achieves the highest quality standards within the demanding schedules. In addition to the above, Leader has added Architectural element offering DEKO demountable partition systems to provide added value for commercial fitout.

THEY'RE ALL LEADER'S!
